Here is a powerful, practical 6 step model that will enable you to get on with anyone. It helps leaders function more effectively and get the best out of their teams – all of which leads to improved performance.</p> <p>You will leave reflecting on your own communication style, armed with a simple yet powerful system that you can use to deliver immediate results.</p>  <p>Known as “The Family Man”, Nick has over 25 years' experience as a keynote speaker. He is plain talking, upbeat, energetic, interactive, relevant and fun. No management-speak, no high-brow lingo, no outlandish claims about building a smarter planet or becoming a tiger! Put simply, Nick specialises in enabling people to get on with anyone and everyone – and has the evidence to prove it. He turns relationships into results.</p>	11.30 – 12.30

During this time he has been a “data driven” Headteacher, a behaviour “Enforcer” and a “miracle question” obsessed mentor. He is currently Deputy Head of The Children’s Support Service and leads their Early Intervention Team which supports mainstreams schools across Essex to work effectively with challenging behaviour.</p>
